# TEACH US TO PRAY

## A GUIDED PRAYER

Heavenly Father, thank you for your love for our city and every person in it.

Thank you that as I draw near to you, you draw near to me.

When I look at our city, I see many needs — families seeking stability, students searching for belonging, and leaders making difficult decisions.

But I see you, King of the Universe, and I know nothing is too difficult for you.

Help me to pray with faith, according to who you are and what you have said.

Give me eyes to see what you are doing in my city, so I can partner with you in prayer.

Your kingdom come, Your will be done, right here in my city, as it is in heaven.

*Amen*

## OUR SHARED STORY

Churches began uniting in prayer for our community in 2015 through One Church - One Day, an initiative of One Hope.

Churches devote one day a month to pray, using a community prayer guide created by leaders.

### **As we pray, God answers.**

Together, we are partnering with Him to write a shared, redemptive, community story through every prayer!
